

Evexia Oy privacy statement 09.02.2021

Evexia Oy and its affiliated companies (“Evexia” or “we”), collect personal data of its customers and visitors of its websites whilst providing its services. Evexia processes your data with due care, in accordance with all applicable laws and regulations.

Our Privacy Statement explains what data we process, how we do that and how you may use your rights as a data subject and as an End-User (e.g. right to object and right of access).

This Privacy Statement constitutes a description of the data file of the users of our services and websites as set out in the European Union General Data Protection Regulation (also known as GDPR).

This Privacy Statement may be updated from time to time. You can find the current version on our website evexia.fi. This Privacy Statement applies to all personal data that Evexia processes during the provision of our services, including the personal data of visitors of the Evexia websites.

This Privacy Statement only covers data processing carried out by Evexia and our third-party data processors.

1. Identity of the controller of the processing of your personal data

The controller of the processing of the personal information is: Evexia Oy
Company ID: 3112305-4
Correspondence address: Otaranta 8 E 123, 02150 Espoo, Finland
E-mail address: team@evexia.fi
Website: evexia.fi

In cases where the End User uses the Evexia solution as a part of the services provided by a Healthcare Service Provider, Evexia will be a Dual Controller with the service provider. In this case both the Healthcare Provider and Evexia fully share Controller responsibilities. Evexia only shares patient data with the Healthcare Service Providers when the End User has given consent and is receiving treatment services from the partner.

2. Personal data processed, sources of data, purposes of processing and legal grounds for processing

Evexia collects two main types of information from our End-User: (i) User Data; and (ii) Technical Data. Although we do not normally use Technical Data to identify you as an individual, you can sometimes be recognized from it (i.e. IP Address). In such situations, Technical Data can also be considered personal data under applicable laws.

We may collect and process the following User Data about our customers: (i) First and last name, (ii) Gender, (iii) Year of Birth, (iv) e-mail address, (v) Health related data, (vi) step data, (vii) other personal data you provide yourself.

Quality improvement and use of service-related analysis

As identifies above, we may process information about your use of the services to improve the quality of our services e.g. by analyzing any trends in the use of our services. When possible, we will do this using only aggregated, non-personally identifiable data.

Cookies

We use various technologies to collect and store information when you visit a Evexia Oy website, including cookies. Cookies allow us to calculate the aggregate number of people visiting our websites and monitor the use of the websites. This helps us to improve our websites and better serve our users. We also use cookies that make the use of the website easier for you, for example by remembering usernames, passwords and (language) preferences. We also use tracking and analytics cookies to see how well our services are being received by our users.

You may choose to set your web browser to refuse cookies, or to alert you when cookies are being sent. If you do so, note that some parts of our sites and services may not function properly. For more information about cookies and how to delete them, visit www.allaboutcookies.org.

Our sites may use Google Analytics and other web analytics services to compile reports on visitor usage and to help us improve our sites and services. For an overview of Google Analytics, please visit <http://www.google.com/analytics/>. You can opt-out of Google Analytics with this browser add-on tool: <https://tools.google.com/dlpage/gaoptout>.

3. Transfer of personal data to countries outside EU/EEC

Evexia may transfer your personal data to countries outside the European Union and the European Economic Area (EEA) which the European Commission has decided to provide an adequate level of data protection (“Data Protection Adequacy Decision”) without additional measures required. For more detailed information:

https://ec.europa.eu/info/law/law-topic/data-protection/data-transfers-outside-eu/adequacy-protection-personal-data-non-eu-countries_en

When we transfer any data to a country for which no adequacy decision of the European Commission exists, such transfer will be subject to the provisions of

the (standard or other) clauses adopted by the European Commission, separate contractual clauses adopted by the European Commission apply, and only when such countries provide for the same level of contractual protection of personal data as within the EEA. For more detailed information: <https://eur-lex.europa.eu/legal-content/EN/TXT/PDF/?uri=CELEX:32010D0087&from=en>

If you as End-User, use our services outside the EEA then your data will be transferred to your device. If you wish to know more about international transfers of your personal data, you may contact us via the contact details above.

4. Recipients and processors of personal data

We only share your personal data within the organization of Evexia if and as far as reasonably necessary to perform and develop our services, e.g. with our customer service and marketing employees.

We do not share your personal data with third parties outside of Evexia unless one of the following circumstances applies:

It is necessary for the purposes identified in this Privacy Statement

To the extent that third parties need access to personal data to perform such services, Evexia has taken the appropriate contractual and organizational measures to ensure that your data are processed exclusively for the purposes specified in this Privacy Statement and in accordance with all applicable laws and regulations. Furthermore, we may provide your personal data to our affiliates or other trusted businesses or persons to process it for us, based on our instructions and in accordance with our Privacy Statement and any other appropriate obligations of confidentiality and security measures.

For legal reasons

We may share your personal data with third parties outside Evexia if we have a good-faith belief that access to and use of the personal data is reasonably necessary to: (i) meet any applicable law, regulation, and/or court order; (ii) detect, prevent, or otherwise address fraud, security or technical issues; and/or (iii) protect the interests, properties or safety of Evexia, our users or the public as far as in accordance with the law. When possible, we will inform you about such processing.

With your explicit consent

We may share your personal data with third parties outside Evexia for other reasons than the one mentioned before, when we have your explicit consent to do so, unless such is necessary for the provision of our services. You have the right to withdraw this consent at all times.

Information of third parties

Evexia only shares End User email addresses with AWS for accessing the Evexia Application, which has a mobile and web component. For more information on AWS privacy, please visit here <https://aws.amazon.com/privacy/>

Our sites may use Google Analytics and other web analytics services to compile reports on visitor usage and to help us improve our sites and services. For an overview of Google Analytics, please visit <http://www.google.com/analytics/>. You can opt-out of Google Analytics with this browser add-on tool: <https://tools.google.com/dlpage/gaoptout>.

5. Storage period

Evexia does not store your personal data longer than is legally permitted and necessary for the purposes for which the data were collected. The storage period depends on the nature of the information and the purposes of processing. The maximum period may therefore vary per use. In general, we store data for the provision of services for a maximum of five years after our relation ends to maintain service continuity.

Your health and provision of health services related data may be subject to laws and regulations related to patient data and its retention which sets more detailed requirements for storing such data. Most commonly, such data should be stored for 12 years after the specific care/treatment was finished. For more information, please see applicable regulation: <https://www.finlex.fi/fi/laki/ajantasa/2009/20090298>.

6. Your rights as data subject

Right to access

Evexia offers you access to the personal data we process. This means you can contact us asking us to inform you about your personal data that we have collected and processed and the purposes such data are used for.

Right to correct

You have the right to have incorrect/unprecise, incomplete, outdated, or unnecessary personal data we have stored about you corrected or completed by contacting us.

Right to deletion

You may also ask us to delete your personal data from our systems. We will comply with such request unless we have a legitimate ground to not delete the data. After the data have been deleted, we may not immediately be able to delete all residual copies from our active servers and backup systems.

Right to object

You may object to certain use of your personal data if such data are processed for other purposes than necessary for the performance of our services or for compliance with a legal obligation. You may also object any further processing of your personal data after prior given consent. If you object to the further processing of your personal data, this may lead to fewer possibilities to use our websites and other services.

Right to restriction of processing

You may request us to restrict certain processing of your personal data. If you restrict certain processing of your personal data, this may lead to fewer possibilities to use our websites and other services.

Right to data portability

You have the right to receive your personal data from us in a structured, commonly used format in order to transmit the data to another controller.

How to use your rights

You may use these rights by sending a letter or e-mail, including your name, address, phone number and a copy of a valid ID to us to the addresses set out above. If your request regards personal data in a cookie, you have to enclose a copy of the said cookie. We may request the provision of additional information necessary to confirm your identity. We may reject requests that are unreasonably repetitive, excessive or manifestly unfounded.

How to lodge a complaint:

In case you consider our processing activities of your personal data to be inconsistent with the applicable data protection laws, you may lodge a complaint with the local supervisory authority for data protection. For more information, see www.tietosuoja.fi.

7. Information security

We will take all reasonable, appropriate technical, security and organizational means and measures appropriate considering the nature and purposes of processing and the nature of personal data processed, to protect Evexia and our customers from unauthorized access to or unauthorized alteration, disclosure or destruction of personal data we hold. Measures include, where appropriate, encryption, firewalls, secure facilities and access rights systems. Should, despite the security measures, a security breach occur that is likely to have negative effects to your privacy, we will inform you about the breach as soon as reasonably possible.

8. Applicability and changes

Our Privacy Statement applies worldwide, to all of the services offered by Evexia. Our Privacy Statement may change from time to time. You can find the current version on our website [evexia.fi](https://www.evexia.fi). We will not make substantial changes to this Privacy Statement or reduce your rights under this Privacy Statement without providing you with a notice.
